Johnson elementry chapter 1

it's a great place
to make friends 

my name's Coco and I'm 8 years old, yes 8 years old.
you might think I'm too young to make book but there's
no age limit in my opinion. everybody on earth has
many skills and making books is one of mine. well know
you now about me let's get to the real story. now Johnson's
a great school. you make friends, you learn, you have
teachers, the point is Johnson's a great school. we have
pre k / pre school, kindergarten, 1st grade, 2nd grade, 3rd grade, 4th grade
and 5th grade. if you need a place to go to school come to
Johnson. teachers work hard to learn to teach, and yes
sometimes they forget stuff but we're not all perfect.
it's a fun place to be to and in 2nd grade on Fridays and P-days
you get an extra recess, you can have so much fun at
Johnson so come here and let's get started.
